

Super Strap

The perfect organizer for your work area.

Model #90202

1.

Adjustable to many sizes

Use Super Strap for hanging heavy items off ladders.

2.

Designed to hang anywhere

Store bicycles and other large objects out of the way.

3.

Easy-to-carry handle

Strong, wide grip handle makes carrying multiple pieces easy.

With an easy-to-carry handle, the Super Strap provides a solution for hanging up a variety of items including hoses, ropes, tools, toys, power cords, bikes, etc. Its full grip handle offers added stability when transporting large, heavy or awkward items. When the job is finished, just hang it up. Everything is now organized and out of the way. It's that simple!
